ORDER

GREGORY H. WOODS, United States District Judge:

On June 24, 2023, counsel for the defendant requested a modification of the conditions of the defendant's pretrial release. Dkt. No. 100. In the application, counsel represented to the Court the following: "The government and pretrial have no objection to this request." The Court has been informed by the pretrial services office that the representation regarding its position does not accurately reflect its views. The Court requests a further submission from counsel for the defendant regarding that aspect of the defendant's application.

SO ORDERED.
